WELCOME TO McDONALDS KIHIKIHI SPEEDWAY!

Welcome back race fans to our second race meeting of the season! That's right, four months since opening night way back on November 12th and we've experienced the most unsettled race season since last season and the season before that! Instead of Covid restrictions, this season has seen an unusual consistent rain fall over the Waikato and greater North Island. Wet weather hampered our original opening date of late October and returned the day after our rescheduled opening meeting. This meant the King Country Saloons race meeting November 26th was cancelled due to flooding which flowed into the Stockcar Grand Prix two dayer in December being postponed also. Whilst it was possible to move the excess water, the infield remained sodden in the absence of consistent sun and dry conditions. The GP was rescheduled for anniversary weekend in January, the same weekend a thunderstorm parked itself over the Auckland region and smashed much of the upper North Island.

So while we were pumping water away from the track (and getting gear stolen inc. a push ute but that's another story but it does have a happy ending), our club members were making the most of what race days were not rain interrupted. They travelled as far as Dunedin and returned home with various successes

- Kings Stockcar Team 2nd Mainland Teams Woodford Glen
- Leyton Kendall 3rd in the Bay Of Twenty F2 Midget feature at Baypark
- Caleb Smith, Junior Ministocks In Paradise winner at Paradise Valley Speedway
- Benji Sneddon 4th overall in the Super Saloon Xtreme Dirt Series at various South Island tracks and 4NZ a couple of weeks later at Beachlands Speedway
- Kings Superstock Team 6th overall at the ENZED Teams Champs Palmerston North
- Kevin Williams 2nd Saloon Grand Prix at Huntly International Speedway
- Dean Brindle 2nd North Island Sprintcar Champs at Baypark
- Asher Rees 2nd Superstock 248 Global Challenge at Robertson Prestige International Speedway
- Chuck Gannon & Darryl Pearson 6NZ Sidecar at Rosebank Speedway
- Gavin Taniwha 4NZ Superstock at Huntly International Speedway

But the big ones were Daniel Thomas elevating his 3NZ status to National Sprintcar Champion down at Ruapuna Speedway early in February. And last weekend Asher Rees went back to back and retained his 1NZ at host track Huntly. This is only the fourth time a A-Grade Stockcar/Superstock driver has done the rare double in a 58 year history.

So tonight means so much to us. We get the chance to fire up the old domain for our club members, supporters and race fans. We finally get some more 'runs on the board' and what a fantastic line up of entertainment we have in store this evening! The King Country Superstock Champs headline the night, last years champions were

- 1st 1NZK Asher Rees - 2nd 3NZK Mitch Vickery - 3rd 10G Peter Rees

All three podium spots are up for grabs as Asher and Peter have opted to stay at home in the Manawatu as there are several big events left to attend and Mitch is sitting the season out after a racing injury sustained in November.

The support classes have either full fields or good numbers and feature some of New Zealand's best. So sit back and enjoy, please support our food vendors and we hope you enjoy the show!
