WELCOME TO McDONALDS KIHIKIHI SPEEDWAY!

Thanks for joining us on the banks of the Kihikihi Domain this afternoon. We are super late in the season now and we're grateful the weather has held today. Very testing year with all the rainouts but we'll be back again next week with another super show, weather dependent of course!

I will keep this scribe very brief as there is much to do in my private life. It's currently Wednesday evening and I'm just starting this program, the previous one was super late and I'm guessing next weeks season finale program will be too!!! The recent history of all the title's being race for are very patchy over the last three seasons. Partly related to Covid and partly rainouts.
